

TRAINING & DEVELOPMENT PROGRAMME

Knowledge Network

Programme Overview

Our 2019/2020 Knowledge Network Programme concluded in July 2020. We're currently planning our 2020/2021 Programme.

Knowledge Network is intended specifically for in-house counsel and others whose work involves advising on or applying Irish law. Each session provides a refresher on some fundamental legal rules, updates on new developments and practical guidance on the application of relevant Irish law with a focus on the issues we see arising most frequently in day-to-day practice.

As a sample of content, our 2019/2020 programme included sessions such as:

Going Green: Good for the Balance Sheet; Good for the World

Gender Pay Gap Reporting - What You Need to Know

COVID-19: Implications for the Financial Services Landscape – Providers and Users

COVID-19: Update on Legislation & Legal Issues

Developing Emotional and Mental Resilience

GDPR: Privacy in a time of COVID-19

Please let us know if you'd especially like to learn about any particular topic over the next 12 months and we'll consider including it in the Programme.
